PTM

There will be a Parent Teacher Meeting on 4th September, 2015 for all parents from 8:15 a.m to 11:30 a.m. It is a good opportunity for all parents to attend this meeting prior to the Half Yearly Examination to know about the performance of your child. The time slot for meeting the teachers will be given to your ward ahead of time. Please make sure your child accompanies you for the meeting.

HALF YEARLY EXAMINATION

The date sheet of the half yearly examination is already displayed on the school notice board and the same is printed over leaf. Punctuality and regularity are aspects of school life that we insist upon. Children must be here well ahead of time in order to begin the Assembly and the classes. Above all we request you to insist on their regular hard work with their studies at home in order to ensure not merely success in the examinations but in all activities of the school – curricular and co-curricular. Seeking excellence must become a regular habit, and not an occasional effort. Please encourage your children to make the maximum use of the various facilities available in the school during their studies here. It has been noticed that many people praise the school for the facilities it provides for the all round development of the students at the time of admission, but unfortunately only a few make use of them. It is only through the sustained cooperation between the parents and the school that we can make the learning experience of the children fruitful. I thank each one of you for your generous cooperation on various occasions and we look forward to your continued support in the years ahead. May God bless you.

I wish you all a Happy Dussehra, Muharram, Balmiki Jayanti and Diwali. May these festivals bind the people of India in true peace, joy and Harmony.
